

Important Notice!!!

Fire Ant Treatment
Wednesday, June 12, 2019

Technicians are scheduled to arrive between the hours of:

6:30 AM - 1:00 PM

to begin treatment throughout the community.

All irrigation will be shut off no later than **9:00pm** the day prior to treatment and will be left off until **9:00pm** the day of treatment.

NO landscaping projects and/or mowing to be done on the day of treatment.

If you have any pets, please keep them indoors or in a secure enclosed area outdoors (i.e. patio enclosure) as a precaution while the technicians are on property for safety reasons.

Product Information:

Control products are water soluble and will render ineffective when in contact with water.

The control products used are made at a very low dosage, enough to kill an ant and will not harm pets.

Should you have any questions or concerns regarding the treatment, please feel free to contact:
