HAVE YOU SEEN DOGS WITH YELLOW RIBBONS ON THEIR LEASH?

The Yellow Dog Project is for owners of dogs that need space. It hopes to educate the public and dog owners about appropriate contact of these dogs and to assist dog parents to identify their dog as needing space from other pets.

Yellow Dogs are not necessarily aggressive dogs but more often dogs who have issues of fear; pain from recent surgery; are a rescue or shelter dog who has not yet had sufficient training or mastered obedience; are in training for work or service; are in service; or other reasons specific to the dog.
