NEW!! Organics Drop-Off at the Environmental Center

Residents are now able to drop-off food scraps, paper towels, and more at the Washington County Environmental Center. Known as “organics”, these materials can be recycled into compost, a valuable resource that improves soil and decreases the need for fertilizers. For more information, visit their website at www.co.washington.mn.us/604/environmental-center.

Opportunity to Serve: There are currently openings on the Township Planning Commission. We are looking for anyone who has knowledge of, or a willingness to learn about, township ordinances and building codes. Meetings are held on the first Monday of the month. If interested, please contact the clerk at 651-459-6236.

Annexation: The city of St Paul Park is in the process of exercising an option included in an agreement between the City and Township that was signed in 2008. It only includes the properties returned to the township on appeal of the 2nd annexation of the property on the west side of CO 75. Please come to the next regular township meeting on May 8th at 7PM for the details.
