

BRYANT WOODS BOARD OF DIRECTORS

Nominated Candidates for 2019

Candidate 1 – Tracy Lewis – Wood Duck

Tracy Lewis, her husband Brad and children, Kellen 18, Kally 17 and Kaden 6 have been Bryant Woods Homeowners since 2013. Her hobbies include travel and cooking. She is a Vice President at US Bank, where she has worked for 11 years in risk management and has been in banking for 31 years. She has extensive board experience.

Candidate 2 – Brandon Jones – Centerwood

My wife Melody and our blended family of five children are about to start our 6th year living in Bryant Woods. Running my own business, as a contractor/ handyman, is a daily exercise in the importance of using financial resources effectively and efficiently. I believe that planning is focal to success every day, and not just for that day, but also for long term success in the bigger picture. Every homeowner I work with is different and has different needs, similar to how our HOA members are different and have different needs. Working to find reasonable solutions that fulfill both short term needs with long term outlook is an important part of what I do on a daily basis. I'm hopeful that I can use these skills to help contribute back to the HOA that we feel thankful to call home.

Candidate 3 – Kevin Schilperoort – Wood Thrush

Our family moved into Bryant Woods neighborhood in November of 2013. My wife's name is Annie and we have 3 boys (Cade, Callum, and Ryder). They attend local schools and enjoy the friendly, community atmosphere in Bryant Woods. I'm a quality manager at Vestas, a renewable energy company in Portland. Both Annie and I have deep roots in the Northwest. We love the beauty of this area and all the activities nearby. As a family we've enjoyed the amenities Bryant Woods offers and I would like to serve on the board to keep this neighborhood a great place for everyone to call home.

Candidate 4 – Scott Anderson – Centerwood

I was born and raised in Lake Oswego and my wife and I moved into the Bryant Woods neighborhood in 2015 to raise our children within such a safe, friendly and fun environment. I am interested in joining the BWHOA board to help maintain and improve the community for the benefit of everyone who lives here. My professional career is in commercial real estate management, so I prepare budgets, contract with vendors, and navigate tricky tenant and legal situations for a living, which I hope to apply toward the effective management of our community. I look forward to getting involved!

Candidate 5- Amy Bowen- Sandpiper

I have lived in Lake Oswego since 1984 with the past 15 years in Bryant Woods. I have prior experience in property management and administration. Currently I am the general manager for a small company in which I also do the accounting.
