- Emily Foster
 - Design Guidelines re-write project
 - Revision and update
 - Partially funded by a state grant
 - Purpose is to streamline the document and make it more graphic heavy (more user friendly)
 - Will be improving guidance for new construction
 - There are no new construction guidelines for new height available in the garden district. This does not affect Dixieland.
 - Subcommittee with five design professionals providing feedback through the process
 - further public feedback: 1st quarter of next year the preliminary document will be released and neighborhood meetings will be held
 - Must be done by June 2020
 - Be aware, density is a zoning issue NOT a historic guidelines issue
- Stephen Willis is our new code enforcement officer. He has been invited
- Meeting concluded 7:30pm
