

"Maple Valley Neighbors" is once again Online!

Our neighborhood has renewed our "Neighborhood Links" Web site and upgraded to add more privacy

Our Web site includes information about Maple Valley, current and past newsletters, links to the local schools and links to city government officials and services, including the Police and Fire Departments and much more. It's a great communication channel!

Our Web site is not just an information source, but also a place for all neighbors to find connection. Want to tell people about an upcoming meeting, garage sale, or lost pet? Then post a notice in "Discussion". This area is available to all members so we could use it as a bulletin board.

Want your own personal Web page? Then create one in the "**Meet Your Neighbors**" section - tell people about yourself, your family, your hobbies or your interests. Only Members can see "Meet your Neighbors". **Your email addresses are not visible to other members.** All anyone can see is what you post on your profile page.

All **HOA Board Members** and **Committee Chairs** will have editor privileges and can post on "Pages and Links" and the "Calendar". Editors must delete their own posts when outdated.

This is Our Neighborhood Web site - only members can use it - and it's easy to use!

Everything is in an extremely user-friendly format.

So sign in and check it out! Add a short-cut to your desktop for easy access.
