

**NOTICE TO ROLLING FORK RESIDENTS ABOUT TRASH AND RECYCLING  
PICKUP DURING COVID-19 PERIOD.**

The following information was sent by WCA regarding their trash and recycling services:

WCA will continue to serve the community as always. However, we want to make sure you are aware that even though our regular trash service will continue you may see delays. We have developed business continuity plans that will remedy any foreseeable business challenges that may occur.

You can also monitor our [Facebook](#) and [COVID-19](#) pages for updates

Please, put all waste within closed garbage bags and not directly into garbage cans.

For additional information about Rolling Fork PUD trash policy visit the Rolling Fork HOA website at:
