

Stone Oak POA  
Neighborhood Representatives Committee Meeting  
March 11, 2020

1. Bryan Naylor, Community Safety Liaison, District 9, and Councilman John Courage spoke first. Reminded everyone again to dial 311 to see what projects can be funded and requirements for meetings..
  
2. Brady Ortega. (bortego@rmwbh.com). Explained the benefits of CAI (Community Associations Institute). He is an attorney and equity shareholder in the firm of Robert Market Weinberg Butler Hailey PC. He is a member of the CAI and serves on the Board for the San Antonio chapter. The CAI focuses on Corporate Governing, Collections, and Compliance. Benefits include networking opportunities, information and resources, educational opportunities, and legislative activity. He also discussed the TCAA (Texas Community Association Advocates. They lobby strong for us, ensure Texas associations function properly, protect property values, aid in proper governing and management, benefit homeowners by protecting the quality of Texas neighborhoods, use lien foreclosures for dues that are due, and provide emotional support for animals. You can become a member of CAI at [caionline.org/pages/default.aspx](http://caionline.org/pages/default.aspx) for \$75/individual or \$150/9 people.
  
3. Peter Stranges, PhD - Coronavirus. He is Program Manager for the San Antonio Health District. Reiterated all we've been hearing about prevention recommendations. Also said if you have specific questions you can email or call the health hotline, 210-207-5779. Check with Metro Health, DSHS, and CDC websites for updated info and guidance. Share information within your neighborhoods. You can also go to [www.sanantonio.gov/health/2019coronavirus](http://www.sanantonio.gov/health/2019coronavirus).
