Propositions 411: An Informational Forum on Ballot Propositions

Public Workshop Announcement for SAT Airport's Noise Exposure Map Update

- The City of San Antonio is currently updating the Airport's Noise Exposure Maps
- This is the first of two sets of workshops to provide the public the opportunity to submit comments for the official project record
- A second set of workshops will be conducted in early 2021 to present the 2026 Future Conditions Noise Contours, which will determine eligibility for future Airport noise mitigation efforts

Four virtual workshops will be hosted on Zoom!

- Monday October 26th 6pm – 8pm
- Tuesday October 27th 1pm – 3pm
- Thursday October 29th 10am – 12pm
- Thursday October 29th 6pm – 8pm

Please visit the link below for more information on how to
Register for the Virtual Workshop!

Call 210-207-3847 if you have questions

The City of San Antonio is conducting a Noise Exposure Map (NEM) Update for the San Antonio International Airport vicinity, which will result in updated NEMs that will reflect both the existing and expected five-year future noise exposure conditions near the Airport. Following a 20-minute presentation, the workshops will provide the opportunity for the community to submit questions and receive answers, in real-time, from the project study team.

EARLY CALL:

We are looking for volunteers to serve on the FY2022 City Bond initiative for District 9. This committee will look for worthy infrastructure projects that benefit the residents of District 9 and the City of San Antonio.

This will be a committee of 15 to 20 members that will meet beginning in mid-November and whose service may last until May of 2022.

Many of our initial meetings will be virtual until the pandemic and health conditions improve more in the San Antonio community.

If you are interested in serving or would like additional information

please contact Chief of Staff Derek Roberts through our District office
at 210-207-0955 or email derek.roberts@sanantonio.gov.
