

SUMMERFIELD COMMUNITY ASSOCIATION

October 2020

RECENT PROJECTS

Prior to the ice storm, we were continuing landscaping projects such as more sod, tree trimming, and tree planting in common areas. Our south entrance rock sign was completed, and we scheduled installation for an extension of the NW 122nd stone fence going eastward one more lot.

Any further projects will have to be on hold for a little while we continue with tree and limb cleanup.

Have you seen our new south entrance Meridian sign?

ICE STORM TREE CLEANUP

Visit okc.gov/ice for more info on residential limb pickup. The HOA is still working to clean up the common areas and will continue to do so for some time. We are working as fast as possible, and as finances allow, to get all fallen limbs and dead trees removed, and appreciate the patience of our residents.

Here are the City's regulations for residential curbside limb pickup:

- Avoid stacking limbs on water meters. If crews can't access the home's water meter they will have to estimate water usage for that month.
- Cut tree limbs and logs into sections 10 feet long or shorter.
- Separate your limbs from regular bulky waste like furniture, carpeting or appliances. Tree debris that's mixed with bulky waste won't be collected.
- Avoid stacking debris near poles, mailboxes and trees.
- Keep limbs out of the street. It causes safety issues for drivers.
- Leaves can be bagged and put into Big Blue trash carts for normal trash pickup.

HOA QUARTERLY MEETINGS STILL ON HOLD

Due to Covid-19, the HOA is still incapable of holding our quarterly meetings. In the meantime, we encourage suggestions from our residents or questions anyone may have. Our office is still operating, but office visits are by appointment only. We welcome phone calls, emails, and try to give important updates to our Facebook page and through Nextdoor.

Email: summerfield@coxinet.net Phone: 751-1780

Website: summerfieldokc.org

QUARTERLY DUES

A reminder that you can still pay October quarterly dues without a late penalty. You can pay through our link on our website, or call the office to make a payment. We can now also schedule automatic payments with a debit or credit card, just give the office a call for payment setup.
