

Fieldstone Homeowners Association Architectural Control Committee Application

Fieldstone Homeowner's Association requires written consent of the Association's Architectural Control Committee for any permanent improvements that are visible from the street or a neighboring property. Improvements requiring approval include but are not limited to the following:

1. Modifying, painting, other decorations, or in any way altering their respective areas including, but not limited to exterior of building, screens, doors, awnings, fences/retaining walls, gates, decks, roof, mailboxes or any other portions of any home visible from outside the home
2. Installation of any lights, TV antennas, radio antennas or other items in common areas
3. Any alteration of major landscaped areas
4. Installing accessory structures and outdoor storage

This form is the application for approval of work before it begins. You will receive a response within 2 weeks after your completed application, including all attachments are received.

Please attach to your application a site plan showing the location of the change or improvement and all dimensions including, as applicable, pictures, plans, specifications, drawing, paint chips, etc.
