

HI Maple Valley,

1/9/2021

This email is to inform you that we will be holding the annual HOA members meeting on **Saturday January 23rd at 11a.m.** Due to Covid-19 we have decided that we will have a ZOOM meeting instead of an in-person meeting. Our secretary Kristen will handle the Zoom call and will send invitations to all members. These ZOOM calls are easier if you download the Zoom app in advance. All are encouraged to join.

We have a serious problem to consider this year. The City of Arvada intends to annex the part of Maple Valley Park that still belongs to Jeffco. Their plans for this area would be so detrimental to our neighborhood that Gina Hallisey has volunteered to head-up a Committee by the name of "Protect Maple Valley". Gina has already done a considerable amount of research and work on this effort and our thanks go out to her for this. The HOA will contribute \$3,000.00 for an environmental study to determine the impact of this plan on our wildlife. There will be further emails to notify everyone of events that will impact all of us. Anyone interested in joining this cause, please contact Gina at: protectmaplevalley@gmail.com

Copies of other documents that will be sent to the city will be emailed to all residents. I know we are all busy but this is so important to the neighborhoods future and our home values, that it is well worth seeing what is being done and were you may be able to help.

I'm enclosing the meeting agenda. We will need to vote on our HOA officers. I will not be running for president again this year. This is the time to nominate people for these positions. Our neighborhood has turned over and we now have many new families. It is important to get involved even if you have no previous experience. I will include the document that spells out what each office needs to get done for the year. If you would like to run for office, e-mail me at bonneglen@aol.com and I will put your name on the list.

See you on Saturday, January 23rd at 11 a.m.

Bonnie Thompson
