I. Opening the pool – We discussed when to open the pool initially to give time for the chemicals to balance and set the date. We also discussed when to open the pool officially, to our residents, and set the date. The date in which the pool will be officially open is Saturday, May 29, 2021.

II. Pool key pickup/proxies – We discussed and set the dates for when residents (who are in good standing) can pick up their pool key for the season and complete (if not already) and turn in their proxies. Those dates are: Wednesday, May 12, 2021 4:30 p.m. – 7:00 p.m. and Sunday, May 16, 2021 11:00 a.m. – 5:00 p.m.

III. Pool attendants/hours – We discussed pool attendants and know of two (2) people who are interested. We also discussed the dates/hours in which one will be present. Initially we will have attendants Saturdays and Sundays 1:00 p.m. – 5:00 p.m.

IV. Annual meeting – We decided on Saturday, May 22, 2021 at 11:00 a.m. for the annual meeting.

V. Yard sale – We discussed the yard sale and determined that we will set the date for Saturday, June 19, 2021 (tentatively). We would first like to secure with Republic the date(s) for junk pickup.

VI. Junk Day(s) – Kris was going to call Republic to see when we could schedule junk days. The hope is to be able to do have the junk pickup soon after the yard sale is held.

VII. Fountain/pond – The fountain has been repaired. We discussed clean-up of the algae, etc. in the pond so that the fountain doesn't get blocked up again by said algae, etc.
