Atchison Village Units for Sale

AV units are not condos. Members do not own units, only the perpetual right to reside in the unit.

The owner must occupy the units as their main residence.

Purchase is for the unit as is. If anything in the unit needs attention, the seller must take care of it.

After the member and the buyer agree on the terms of the sale, the buyer must be approved by the Board of Directors.

No money should change hands between the buyer and seller until the transfer documents are signed and notarized.

An agreement between buyer and seller does not guarantee membership

Las Unidades de AV no son condominios. Los miembros no son dueños de las unidades solo del uso perpetuo de residir en la unidad.

Los dueños deben ocupar la unidad como su residencia principal.

La compra de la unidad es como es la unidad. Si hay alguna cosa en la unidad que necesite atención, el vendedor debe hacerse cargo de eso.

Después que el miembro y comprador lleguen a un acuerdo de los términos de la venta, el comprador debe ser aprobado por la Mesa Directiva.

No debe haber cambio de dinero entre el comprador y vendedor hasta que los documentos de intercambio sean firmados y notariados.

Un acuerdo entre comprador y vendedor no garantiza Membrecía
