Dear Members,

This month's guest speaker will be Mr. Al Harris from Con Edison. Al will share some "go green" and energy conservation tips that will help us learn how we can reduce the amount of energy we use and how we can lower our energy bills by using electricity wisely. We will discuss upcoming community and council events, one of which is the 109th Precinct's Second Annual safe trick-or-treating event on October 31st. The

109th Precinct will offer neighborhood children safe trick-or-treating options by hosting a Halloween Open House. Children of all ages are welcome to stop by in costume and meet the officers who will be handing out candy. If you would like to donate a bag of candy for this event, please bring it to the meeting. We are expecting a large number of children, so your donations are greatly appreciated. Commanding Officer, Deputy Inspector Matthew Whelan, will provide

information on the latest crime stats and community issues. You will have the opportunity to raise any community concerns you may have. Recognition will be given to the 109th Police Officers of the Month (this month's sponsor is Mr. Peter Koo). The 109th Precinct will also present recognition awards to two very special community members.

We look forward to seeing you all.

Refreshments will be served.
