All members wishing to make comments or direct questions to the Board at the meeting will have the opportunity to do so. A limited time will be allocated for each speaker as needed to maintain a reasonable overall meeting duration.

If you are unable to attend but wish to have your vote recorded (in the event there is a seconded motion and membership vote at the meeting) you may designate a proxy to vote on your behalf. Proxy designations must be received by the Board Secretary at paradisehillsboard@gmail.com, or by mail.

For your reference, a copy of the April 25th e-mail notification to membership from the Board on this topic is attached. The March 1st, April 14th & April 22nd Board meetings also included discussion related to this topic. Minutes from those meetings are also attached. Additional information regarding the LPR system can be found at <https://www.flocksafety.com>.

As required in the by-laws, a hard copy of this notice was also mailed to all PHHOA members earlier this week.

Regards,

Ashley
